### Online Video Lesson Terms, Conditions & Technical Guidelines

Lessons must be paid for in full (via provided banking info) **BEFORE** each lesson or each block booking of lessons.

Before a first lesson a technical run-through is desired, to troubleshoot any problems that may occur.

Please try to use a separate mic/line-in/audio interface to ensure quality of audio for your instrument & or vocals.

If a loss of connection occurs, I will try to re connect & make up for time or reschedule.

**DO NOT** share, add to list or forward my Zoom/Skype/Other Online Video Name/Number/Address. or contact details.

**DO NOT** record or share (without permission) the video or audio components of the lesson. Lessons are able to be recorded for reference with prior agreement.

All other terms outlined in the lesson information plan & private tuition contract apply.

*If you have any questions or want to discuss anything in this PDF please feel free to contact me using the information above*
